

# On The Day of Your Baptism

---

1. On the day of your baptism, bring these items to church with you:
  - A towel
  - A complete change of clothes
  - Something to put your wet clothes into
  - Any cosmetics or health and beauty products you may need
2. Come to church dressed to be baptized (i.e., pants, jeans, colored shirt or top, etc.).
  - \* Please do not wear a bathing suit or anything white or light colored.
3. Please meet in the office suite off of the main foyer at 8:30 minutes before the baptismal service begins. We will give you a schedule and last minute details.
4. Before being baptized, your video story will play as you enter into the tank. One of the pastors will direct you. Once your video is finished, one of the Pastors will say some brief remarks. Then you will be baptized.
5. Right after the baptism, you will:
  - Go to a restroom or the prayer room change into your dry clothes (parents can be ready to meet children in the foyer).
  - Come back to the auditorium and be ready to continue with the service.
