- **Missions** – Pray for the ministry of Dave and Elizabeth Mayner (Campus Bible Fellowship—Binghamton). **Pray** for two students, Sidney and “H” who attended a recent prayer meeting. **Ask** the Spirit of God to draw their hearts through their curiosity of having a relationship with Jesus and not a religious following. **Pray** for the new contacts with students that were made, that we would be able to follow up with them over the semester.

### **Monday, October 8**

## Henzler Prayer Update for Heritage

Thank you so much, Heritage Family, for your faithful prayers and interest. We love you!

Praising the Lord for the arrival of our first grandchild, Ezra Martin Bartos, to Suz and Asa! Pray for Mommy, Daddy, and Baby as they all grow in this amazing new adventure of life!

Praising the Lord for the jobs, car, and apartment that God has provided for Andrew and Anna in Cyprus. Pray for continued wisdom and guidance as they continue to enjoy and establish their marriage and are deciding what ministry/ies in which to be involved.

Praising the Lord for a fairly smooth transition for Dad Henzler as he moved out of his house into assisted living. Thankful for a wonderful, caring staff. He is doing well, please pray for his continued adjustments, for enjoyable friendships, and for opportunities to minister to others.

Greece – Pray for the continuously developing evangelistic Bible studies with MBB's Pray for the first Greek Church Planters training retreat in November. Plans are well underway and it's pretty exciting!

Please pray particularly for the families of two of our church planters in Nicaragua. They were in a terrible motorcycle accident and Pastor Vladimir was killed instantly, and Pastor Osmani is stable but with many broken bones. Pray for God's overwhelming comfort and provision at this time for these families, their church families, and the Institute of Church Planters & Pastors as they come alongside to help at this time of grief and need, and that the outpouring of love would be a shining light in the communities where these men are establishing churches.
